Mismatch: A Humorous Contemporary Romance (Volume 2) Nana Malone

Spunky artist manager, Jessica Stanton, isn't looking for love. She's looking for a savior. When a business rival steals yet another of her rising stars, she's in danger of losing everything she's worked so hard for...and the only person who can save her fledgling business is the one man she shouldn't want. Art authenticator, Eli Marks, doesn't have time for love. He's too busy saving his brother from the demons of his drug addicted past. For the past ten years he's cultivated a façade to keep his distance from everyone else. But when a string of high-profile art forgeries threatens the security of the only family he has left, he must turn for help to a woman who breaks through his carefully constructed façade every time she's near. Will Jessica and Eli save each other? Or will secrets and lies stop them from finding true love?
