Before Thomas Devareaux ever set foot on the deck of his airship, his father fought in the defining moment of Confederate history, the battle of Sharpsburg. As the surviving officer of a company in the 3rd South Carolina Regiment, he leads his company into battle while the fate of the Civil War hangs in the balance.

This is the prequel to the Thomas Devareaux Alternative History Military Adventure Series. It follows the adventures of James Devareaux as he becomes the leader of a veteran company of Confederate soldiers during the Battle of Sharpsburg which was known as Antietam in the North.

James Devareaux is not the catalyst for the moments that will change history but he is an eye witness to the battlefield friction that results in a different outcome than our present timeline. The cast of characters includes the officers who were present at the battle of Antietam. The Appendix lists the historical liberties that were taken with the battle to lead to a Confederate victory.

If you enjoyed the books of the Thomas Devareaux series, check out the prequel that made it all possible.

The story is just over 13,000 words in length.
