What would Jimmy Buffett Do?: An Island Song Novel Anthony Bjorklund

If you suddenly found yourself with some extra plunder, and were stuck smack dab in the middle of Jack Frost's favorite nipping grounds in the dead of winter, what would you do? Better still, what would Jimmy Buffett do? That's the question Blake asks himself; what Bubba would do, that is, before deciding to leave winter behind for a well earned Caribbean vacation on di island, with Jimmy as his spiritual compass. It's a tale of sandy beaches, palm trees, pirates, rum, and good times.

If you've read any of di other Island Song Novels, you'll of course be familiar with most of the characters in this story. If not, the book was written as a standalone tale, and is a great introduction to the series. Read it first, read it last; like di islands, the when doesn't really matter. Just enjoy.
