As a college student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country.
