Just and Unjust Warriors: The Moral and Legal Status of Soldiers

Just and Unjust Warriors: The Moral and Legal Status of Soldiers

Can a soldier be held responsible for fighting in a war that is illegal or unjust? This is the question at the heart of a new debate that has the potential to profoundly change our understanding of the moral and legal status of warriors, wars, and indeed of moral agency itself. The debate pits a widely shared and legally entrenched principle of war—that combatants have equal rights and equal responsibilities irrespective of whether they are fighting in a war that is just or unjust—against a set of striking new arguments. These arguments challenge the idea that there is a separation between the rules governing the justice of going to war (the *jus ad bellum*) and the rules governing what combatants can do in war (the *jus in bello*). If *ad bellum* and *in bello* rules are connected in the way these new arguments suggest, then many aspects of just war theory and laws of war would have to be rethought and perhaps reformed. This book contains eleven original and closely argued essays by leading figures in the ethics and laws of war and provides an authoritative treatment of this important new debate. The essays both challenge and defend many deeply held convictions: about the liability of soldiers for crimes of aggression, about the nature and justifiability of terrorism, about the relationship between law and morality, the relationship between soldiers and states, and the relationship between the ethics of war and the ethics of ordinary life. This book is a project of the Oxford Leverhulme Programme on the Changing Character of War.

Antonio Batts:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's heart or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Just and Unjust Warriors: The Moral and Legal Status of Soldiers can make you really feel more interested to read.
