When you have a history of dating an assassin, a night out on the town can turn deadly—fast. Owen Grayson is still wracked with guilt over the end of his love affair with Gin Blanco, and there aren't enough gin and tonics in all of Ashland to ease his headache. But when Gin happens to show up at the same nightclub, he isn't the only one hoping to get her alone. Some shadowy figures will do anything to take down the Spider, Gin's assassin alter ego, and Owen will do anything to protect her. This could be the way to win her back, or at least give her a night off from fighting for her life—if Owen can survive...
