Transformations Edwin H. Elkin

This booklet is a personal statement of some transformations in thinking, writing, and living that I experienced since my earliest transpersonal awakening during the running of the bulls in Pamplona, Spain in the summer of 1962. The booklet is intended to introduce the reader to the background and content of Transpersonal Gestalt. As the first public expression of Transpersonal Gestalt, it has become my primer. In sharing it, perhaps it will become the reader's as well.
