Wild Dirty Secret

Skye Warren

Wild Dirty Secret Skye Warren

Contains WILD, DIRTY, and SECRET - all three books in Luke and Shelly's complete story! This boxed set from the Chicago Underground series is over 450 pages long.

FIVE STARS “[T]he darkest book I’ve ever read that uses humor to ease the pain felt as the revelations continue to delve into deeper darkness. Shelly is one of the strongest female characters I’ve ever read.” ~ Smut Book Club

WILD

Once upon a time I was the girl who had everything, the clothes, the car. The rich dad who spoiled me.

But the truth was, the only thing I had was my body. I used it to buy my way out. I took a bite of the apple knowing full well what would happen.

That’s how I became a call girl. That’s the story of how I ended up in hell.

DIRTY

There’s no escape for me. I’m tied to some of the scariest men in Chicago. Bound so tight I’ll never get free.

I’ll do anything to survive, except bring Luke down with me. I won’t taint him. I won’t ruin the one good man I’ve ever met. I won’t turn him into a dirty cop. Except he refuses to let me go.

SECRET

I’m the one with the dark past, the scarlet letter, the soul so black there’s no hope of redemption. At least, that’s what I always believed...

Luke has secrets of his own, and the more I search, the more I’m afraid of what I’ll find. But I have to know. My survival depends on it.

“Emotional, angsty, and just enough suspense to keep you hooked to the very end.” ~ Smexy Books

From reader reviews:

Mark Dunn:

The book Wild Dirty Secret make you feel enjoy for your spare time. You may use to make your capable considerably more increase. Book can for being your best friend when you getting stress or having big problem with the subject. If you can make examining a book Wild Dirty Secret for being your habit, you can get much more advantages, like add your own capable, increase your knowledge about some or all subjects. You may know everything if you like open up and read a e-book Wild Dirty Secret. Kinds of book are a lot of. It means that, science reserve or encyclopedia or other individuals. So , how do you think about this reserve?

Hugo Mann:

As people who live in typically the modest era should be upgrade about what going on or details even knowledge to make these people keep up with the era that is certainly always change and advance. Some of you maybe will probably update themselves by studying books. It is a good choice in your case but the problems coming to an individual is you don't know what type you should start with. This Wild Dirty Secret is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

Meredith Butler:

Why? Because this Wild Dirty Secret is an unordinary book that the inside of the publication waiting for you to snap it but latter it will surprise you with the secret the idea inside. Reading this book beside it was fantastic author who write the book in such incredible way makes the content inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of gains than the other book have such as help improving your skill and your critical thinking technique. So , still want to postpone having that book? If I ended up you I will go to the book store hurriedly.

Joseph Cole:

Is it you who having spare time in that case spend it whole day by watching television programs or just telling lies on the bed? Do you need something totally new? This Wild Dirty Secret can be the response, oh how comes? It's a book you know. You are so out of date, spending your time by reading in this fresh era is common not a nerd activity. So what these textbooks have than the others?
