As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case.
