Owning our Au Pair: Billionaire BDSM Menage Amora Bello

I take care of every single detail of my rich and powerful husband's life. Unlike most wives, I understand what a man really needs. I know what I need, too.

Amelie, our au pair, is perfect. She's a sweet, young British girl with long red hair, a winsome smile, and sharp blue eyes. I want to taste her. I want her to taste my husband. I just have to train her first.

Mr. and Mrs. Cliffe are so beautiful and so rich. They take care of me and are going to pay for my tuition to Ivy League Brown.

One night when they are out to dinner, I find a shocking home movie in her closet. Normally, I don't come in here. She prefers to keep her own space tidied, unlike Mr. Cliffe. Now I can't get them out of my head. I fantasize about being blindfolded and flogged, forced to please her husband by Mrs. Cliffe, just like the woman in the video.

Owning our Au Pair is a racy romance novella that contains sordid and explicit depictions of sexual activity by consenting adults, and is for adults only. It is a standalone story with no cliffhangers.
