The Love of God (Theology in Community)

The Love of God (Theology in Community)

Our understanding of the love of God has been tragically distorted. The comfortable, sentimentalized version we commonly encounter today is far from the biblical depiction of God's love. Featuring contributions from well-known evangelical scholars, this multi-disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology, biblical theology, apologetics, pastoral theology, and ethics. The contributors—including D. A. Carson, Andreas J. Köstenberger, Raymond C. Ortlund Jr., Robert L. Plummer, and many others—address a variety of issues related to how God's love is expressed in the Old and New Testaments, the Trinity, apologetics, Christian living, social justice, and more. This addition to the Theology in Community series will promote clear, sound thinking about what Scripture means when it declares that “God is love.”
