The Servant Leadership Training Course James C. Hunter

Over a third of *Fortune* magazine's "100 Best Companies to Work For" adhere to a principle called "servant leadership". James C. Hunter's runaway best seller *The Servant* introduced over a million readers around the world to this philosophy of leading through courage, compassion, and character. Now with *The Servant Leadership Training Course*, this acclaimed author teaches listeners immediate, practical techniques for applying the revolutionary principles of servant leadership to their working lives. Drawing from the sold-out seminars he has presented all over the world, Hunter teaches listeners about:

- The role of character: how right action builds inner strength and inspires others to grow
- How major corporations have turned servant leadership into increased morale, productivity, and profit; and what it means for your business
- Learning to use influence instead of intimidation to achieve your goals, and much more

In the business world, the greatest leaders emerging today are the ones who have learned how to serve their employees, not command them. With foundational principles and practical exercises that apply to chief executives and local managers alike, *The Servant Leadership Training Course* gives listeners the keys to leading with integrity, authority, and compassion.
