The Training Ground: Grant, Lee, Sherman, and Davis in the Mexican War, 1846-1848 Martin Dugard
For four years during the Civil War, Generals Grant and Lee clashed as bitter enemies in a war that bloodied and scorched the American landscape. Yet in an earlier time, they had worn the same uniform and fought together.

In *The Training Ground*, acclaimed historian Martin Dugard presents the saga of how, two decades before the Civil War, a group of West Point graduates—including Robert E. Lee, Ulysses S. Grant, Jefferson Davis, Stonewall Jackson, and William Tecumseh Sherman—fought together as brothers. Drawing on a range of primary sources and original research, Dugard paints a gripping narrative of the Mexican War, which eventually almost doubled the size of the United States.

The Training Ground vividly takes us into the thick brush of Palo Alto, where a musket ball narrowly misses Grant but kills a soldier standing near him; through the mountains and ravines of Cerro Gordo, as Lee searches frantically for a secret route into the Mexican army's seemingly invincible position; to Monterrey, as future enemies Davis and Grant ride together into battle; down the California coast, where war-hungry Sherman seeks blood and vengeance. And we are there as the young troops mount the final heroic—and deadly—assault on Mexico City. With narrative verve and brilliant research, *The Training Ground* brings to light a story of brotherhood, sacrifice, and initiation by fire.
