"You kill my wife and I'll kill yours. You must admit, as a proposition, it has an alluring symmetry to it." It is 1999, and as the Millennium approaches, old certainties wither. For family man, David Braddock, his hitherto predictable world is undergoing a slow collapse. The people closest to him seem suddenly different. As desires and aspirations tangle around each other like parasite stems, betrayal is in the air. And so is murder. Fans of Braddock will finally learn the sequence of events that drove him into exile in Asia, while for new readers, 'A Poison Tree' is the perfect introduction to the 'Time, Blood and Karma' series. The 'Time, Blood and Karma' series will appeal to lovers of the following book categories: mystery, thriller, crime, Thailand fiction, private investigators, British detectives, and amateur sleuths.
