We're just friends...

Fair and beautiful Becca Sloan was used to saying this to people...and it was true. The youngest of Harper's Crossing's Quad Squad, she knew she could always rely on her best friend, Brian. Ever since their first encounter on the slide in pre-K, they'd had each other's backs and were inseparable, through good times and bad.

Sexy and charming Brian Scott kept nothing from his best friend, Becca. He knew that she would always be there for him, and she knew that she could always count on him. They had a once-in-a-lifetime friendship that was a constant in both of their lives.

When both Becca and Brian are cast in a dating reality show to find love elsewhere, it becomes clear to them that they may have already found it. With cameras rolling, they'll have to decide if they should protect their friendship and live un-happily ever after with someone else—or trust in their amazing bond and live happily ever after with each other in a Fairytale Love.
