Freddy and the Perilous Adventure

Walter R. Brooks

Freddy and the Perilous Adventure Walter R. Brooks

The Fourth of July is no day for danger but that's just what's in store for the Bean Farm gang in Freddy and the Perilous Adventure.

It all seemed so strange and exciting at first: Emma and Alice, Bean Farm's favorite ducks, and the intrepid Freddy, off for a glorious balloon ride to celebrate the nation's birthday. Of course, if Freddy and Emma and Alice and the other denizens of Bean Farm had known what was really in store for the brave aerialists in the Balloon Ascension they might just as well have remained quietly at home, listening to Freddy's poetry or to the boastful crowing of Charles. Walter R. Brooks was born in Rome, New York, on January 9, 1886, and died in Roxbury, New York, on August 17, 1958. Brooks attended the University of Rochester and, after graduation, worked for the American Red Cross and the Woodrow Wilson Foundation. He became associate editor of Outlook in 1928 and subsequently was a staff writer for several magazines, including The New Yorker.
