Please, Sir...Spank Me Harder! (Dominant Alpha Male Professor/Student Erotica) Lily Nibs

Tania has the hots for Professor Williams, and after class one day decides to finally act on her desires. To her surprise, he doesn't come easy, and decides to punish her for flaunting her body in front of him. Tania's used to being the one in control - how will she react to the Professor's decision to spank her?

EXPLICIT: This steamy 3350-word tale contains a sexy student being fucked by a dominant older man's thick cock, oral sex, stripping, fingering, themes of domination, and a cock-tease being put in her place by a professor who knows exactly what he wants!

EXCERPT:

"I don't know how I can thank you."

Tania had a few different ways him in mind. Just standing in the presence of Professor Williams was making her knees tingle. He was such a dominant man, she realized. His glasses, his thick black hair, his white crisp shirt - Tania couldn't think of anything more manly.

"Certainly Tania. I'll start right away."

Tania bit her lip as her Professor said her name. It sounded somehow different coming from his mouth. Or perhaps she was just so horny that everything he said seemed to drip of sex.

Under the guise of watching him work, Tania stood behind her. He obviously noticed - a young, buxom lady pushing her body against yours is hard to ignore - but he didn't say anything, and continued reading through her notes.

He finally reached the section when she had tuned out, when Tania decided to escalate her game. She stopped simply leaning against his back, and began rubbing her body up and down against his.

"Tania," he said softly, the note of authority in his voice sending a shiver up the girl's spine. "Stop that."

"Yes sir," she replied demurely, both of them acutely aware that she wasn't even close to finished. She stopped rubbing her breasts against her teacher's jacket just long enough for him to get engrossed in her notes once more, and then started once more.

As she increased her pace, Tania couldn't ignore the sparks of electricity shooting from her nipples straight to her already-wet pussy. She was being so naughty; what she was doing was so brazen, so wrong...but she couldn't resist. She was so attracted to her Professor, he turned her on so much - she'd spent many a night pleasuring herself imagining him there with her, dominating her, fucking her into the bed. He'd once rolled up his sleeves during class, and she'd seen that he was muscled - not enormous, but he clearly took care of his body.

She wanted to take care of his body as well.
