“You forgot the front,” she said playfully, “I thought you said this was full body.”

For my 18th birthday I was promised a **full body massage** from **the boy I grew up with**. He was a licensed and experienced masseur. I had never had a real massage before. I **wanted more** than just a quick massage though, I wanted a **happy ending** that neither of us would ever forget. What would I have to do to **break the taboo**?

This **steamy, taboo** story is a perfect **quickie** for your kindle!
