Discover Nature Around the House (Discover Nature Series) Elizabeth Lawlor

Though we often think of the natural world as lying far from our front door, often the most interesting aspects of nature can be found in the kitchen, basement, or backyard. Discover Nature Around the House explores the properties, processes, and phases of the plant and animal life in our own homes, from ferns and cacti to spiders and dogs. With just a few essentials, such as a field notebook, hand lens, and bug box, readers will find both straightforward information and all kinds of activities to uncover the fascinating, diverse ecosystems that flourish right under our noses.
