The most important new features of the revised dictionary:

- Each definition of each word has been carefully reviewed and, where deemed necessary, revised.
- A system of cross-referencing between related Greek words has been introduced.
- As a didactic, mnemonic, and phonetic device, compound words are divided by small upright lines.
- The maps of the UBS Greek New Testament are included.
- A sampling of some Greek NT words that share similar meanings is included as an appendix to the dictionary
