LET IT RIP! Swing Easy & Hit Big.: How to go longer off the tee GUARANTEED The Eagle

This book is short by design. Your drive and the distance you drive the ball doesn't have to be.

Crunching a long drive feels great. It feels great, and it looks impressive.

Without a doubt, hitting it sweet off the tee is one of the funnest and most enjoyable shots in golf. It is a great feeling. There is nothing quite like crushing it long and straight off the tee. Well... maybe sinking a long put, or nailing a chip, but, lets be realistic, for most of us hitting it big off the tee is what keeps us coming back to the course.

It only takes one shot to get us back on the course. Usually that one shot, is the one drive that you crunch long.

AFTER READING THIS BOOK, YOU WILL ADD YARDS TO YOUR DRIVE.

So read on and learn how to "wow" your golf buddies with that big drive that you always knew you had in you...
