Letters and Poems for the Soul Cess Gichuhi

This book is a treasure chest packed with riveting love poems and letters that will make the hairs of your neck stand up!!! Love is a beautiful energy but its beauty doesn't manifest if it is not expressed in both words and actions. While expressing it in actions is easy, the same can't be said when it comes to words and this is where this book comes in. The poems and letters can serve as a daily affirmation of the love that you both share. It is also a perfect reminder of the love that exists in cases where distance and other factors have separated both of you.

Let this book supplement your sentiments geared towards your better half. Words are said to melt the hardest of hearts and are also a perfect companion when it comes to verbalizing what is in the heart. These poems and letters are in touch with reality and strive as much as possible to reflect love and relationships as they are in today's society. Don't expect to find Cinderella and her missing shoe and other pixy tales. While they are good for fantasy, they are out of touch with reality.

The poems and letters in this book will help remind your partner that you love them even when it seems like you don't. To love and to be loved in return is one of the greatest things that can happen to you and you shouldn't waste time to let that person know how much you love them.
