Something Wicked This Way Comes Roger Hurn

Beware of Faery stories. They say that if you kiss a frog you'll meet a handsome prince. But what if you meet someone who means you harm? Someone who steals children? Someone like the Pied Piper? Legend says he came to our world twice; once to Hamelin in 1284 and once to the Isle of Wight in 1377.

Roger Hurn's latest ebook, a breathtaking roller coaster ride of thrills and skulduggery, tells what happens when he comes back in 2014!

Roger Hurn has had over 70 books for children published. He is well known for his author visits to schools and has enormous experience as an educator having taught at all levels from Nursery to Higher Education. His experience led to him being a consultant advisor to the UK Home Office and the Children's Directorate. In his spare time Roger plays seven-a-side football and, to the horror of music lovers everywhere, guitar in a rock band.

Endeavour Press is the UK's leading independent digital publisher.
