The Mojave Desert's Mysterious Secrets Branton -- aka Bruce A.. Walton

A MAN OF EXTRAORDINARY MYSTERY EXPOSES A CONSPIRACY AGAINST REALITY WHICH IS EFFECTING ALL OF HUMANKIND

Little is know about the individual who was born Bruce A. Walton, but early on changed his name to Branton when he began to realize that something was “just not right,” that he had become a “sleeper” for the CIA when he had stumbled upon some information that he was not supposed to know. He was given an alternative “double life” which gave him access to underground UFO and MILAB bases and apparently had been “tagged” by the Greys with a series of alien implants placed in various parts of his body. It is also claimed that he had a number of hybrid children who are now part of the NWO resistance movement.

He felt as if he were being driven deeper into the pit of depravity and bondage to the “evil one,” from whom he eventually “defected” in order to expose this darkness to the light of truth, so that others might escape the traps which almost took his life.

Here are bizarre accounts collected by Branton and “The Group” a band of associates that refer to themselves as “The Committee Of Twelve To save The Planet.” Branton believes that the world is under attack from the Illuminate, the New World Order working in conjunction with demonic aliens and reptilian shape shifters headquartered beneath the earth's surface.

“To the Christians,” insists Branton, “the Underworld is Hell. To many , the world of caverns are the abodes of their ancestors, a truism common, perhaps to all of us, if we believe our for-bearers were cave men and women. To Richard S. Shaver the Hollow Earth was the abode of debauched Dero; to others it was the home of the Serpent Race or Agharta; still others saw it inhabited by a society with a Utopian model. To some the Inner Earth may represent only caverns, a few hundred feet, or a few miles down. To other theorists it may represent a miniature cosmos of its own, complete with a Central Sun. But however we view it, the Inner Earth remains one of our strongest, if unproved, traditions.”

This book is DEFINITELY NOT FOR EVERYONE! – Only for those keenly interested in what is taking place behind the scenes, out of the glare of public scrutiny. Here is a secret world unknown to the masses, but revealed to those at this critical time in our history who truly want to see!
