**A White-Knuckle Christmas (The Romney and Marsh Files Book 7)** Oliver Tidy

A particularly nasty series of crimes is casting a pall over the members of CID and an unusually white Dover in the run up to Christmas on the south coast of England.

The festive period is further marred by the report of a pair of suspicious sudden deaths on the frozen outskirts of the town.

Detective Inspector Romney and his loyal team are dealing with evil on all fronts and against a ticking calendar.

\*\*\*

The Romney and Marsh Files now number seven. They don't have to be read in order; they do all work as stand-alone novels. However, to get the most out of each it is recommended that they are consumed in the order in which they were prepared, a bit like the courses of a good meal. (Who wants to eat ice-cream before a bowl of soup?)

Here are the books of the series in order:

- #1 Rope Enough
- #2 Making a Killing
- #3 Joint Enterprise
- #4 A Dog's Life
- #5 Particular Stupidities
- #6 Unhappy Families
- #7 A White-Knuckle Christmas
