Redemption

With his memories becoming clearer, Jimmy and the young werewolf Sasha head out searching for a Wanderer, a man with special gifts who can help him discover his past, and with it, the man he is becoming, and the pain of a past mistake which continues to haunt his dreams. He must do it and fast.

The Walker World of Werewolves and Vampires now knows of his existence, and they will do anything to stop him.

The dark black wolf is continuing to hunt them down.

The man he hurt more than he would ever remember it is still trying to find him, and now Rachel has a cure to kill the beast inside him. With it, he must now make a choice. Be with the woman he loves, or kill the beast and fight with those like him. Either way, he must redeem the past before it kills all of them.

A Werewolf's Saga

When the world began, the human race lived as nothing more than cattle. A great group of creatures ruled the world. A small band of humans with great powers emerged from the chaos, and with them, the human race fought for their right to live. When they won the world, the creatures turned to walk the night and the humans won the day. But in the shadows, the darkness lingered. A great evil lived and with it, the Black Wolf has returned...a powerful being with something no other Werewolf or Vampire had ever possessed...a soul.
