Creation and the Second Coming Henry M. Morris

To understand the end, you *must* understand the beginning. Dr. Morris shows how Creation is tied to the Second Coming. The Bible's prophetic writers give key "signs" of the return of Christ. The author shows how each "sign" is an outgrowth of evolutionary humanism or pantheism. God's plan for the Second Coming of Jesus Christ began in the book of Genesis. The political upheaval in the Middle East, the New-Age movement, and the call for a one-world government were all foretold in God's Word.
