Dermatology at the Millennium: The Proceedings of the 19th World Congress of Dermatology Delwyn Dyall-Smith

This is a massive volume of more than 200 chapters in 700 pages, extensively illustrated, covering all areas of dermatology from a millennial perspective. The contributors, leading experts from around the world, provide a unique overview of dermatology's past achievements, current knowledge, and future trends at the turn of the 20th century. For every dermatologist, including residents, teachers, researchers, administrators, and practitioners, this one book contains the very latest information on any and all topics of interest to specialists in this field, past, present, and future. The work is indexed by author as well as by subject and includes an unparalleled supply of references to the world's current literature on dermatology.
