The iPad Project Book Michael E. Cohen, Dennis Cohen, Lisa L. Spangenberg

Bridging the gap between the palm-sized iPod touch and a full-sized computer, Apple's iPad offers enough screen area and horsepower to perform the day-to-day tasks most people want to do. Packed with practical knowledge, this book will walk readers through how to manage their most common projects, from the simple (setting up a calendar event) to the complex (planning a vacation) and everything in between. Readers will learn to use the iPad tools and applications by using them to create practical real-world projects and to master everyday tasks.

In this practical hands-on guide, you'll learn how to

- Organize a party: Set up the calendar event, create invitations, invite attendees, and mail out the invites.
- Build a recipe scrapbook: Write up recipes in Pages (or find recipes via one of the useful recipe apps) and import pictures of the finished dish to go with the recipe in the book. Even learn iPad kitchen tips!
- Plan a vacation: Buy tickets, find destination activities, and map out directions.
- Watch videos: Stream videos with Air Video, convert high-quality movies from DVDs, and buy or rent videos from the iTunes Store.
- Get smart: Learn another language with one of the many translation apps available, and build an illustrated deck of flash cards with common words and phrases.

Plus many more useful projects—both big and small—to help you do stuff with your iPad.

From reader reviews:

Joyce Morton:

The book The iPad Project Book can give more knowledge and also the precise product information about everything you want. Why must we leave the great thing like a book The iPad Project Book? Some of you have a different opinion about book. But one aim that will book can give many data for us. It is absolutely correct. Right now, try to closer together with your book. Knowledge or details that you take for that, it is possible to give for each other; it is possible to share all of these. Book The iPad Project Book has simple shape however, you know: it has great and large function for you. You can appear the enormous world by wide open and read a guide. So it is very wonderful.

Kimberly Dyson:

The reason? Because this The iPad Project Book is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will surprise you with the secret this inside. Reading this book beside it was fantastic author who all write the book in such incredible way makes the content inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of gains than the other book have got such as help improving your proficiency and your critical thinking way. So , still want to postpone having that book? If I were being you I will go to the guide store hurriedly.

Cherly Plaster:

Do you really one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Aim to pick one book that you never know the inside because don't determine book by its deal with may doesn't work the following is difficult job because you are afraid that the inside maybe not while fantastic as in the outside appear likes. Maybe you answer is usually The iPad Project Book why because the fantastic cover that make you consider about the content will not disappoint a person. The inside or content is usually fantastic as the outside or cover. Your reading 6th sense will directly make suggestions to pick up this book.

Brandy Felts:

Reading a reserve make you to get more knowledge from the jawhorse. You can take knowledge and information originating from a book. Book is written or printed or created from each source that will filled update of news. In this particular modern era like at this point, many ways to get information are available for a person. From media social such as newspaper, magazines, science publication, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Are you ready to spend your spare time to spread out your book? Or just looking for the The iPad Project Book when you essential it?
