The Zombie Sex Diaries Dakota Dawson

Zombie apocalypse. A **lonely** woman barely ready for college. A warehouse full of supplies. What's missing? A sexy zombie boyfriend, of course. No, not the rotting kind from that famous TV show where the dead go about walking, but brain-dead shells of their former selves, driven by an insatiable hunger. A hunger for **oral** pleasure, both giving and receiving, and so much **more**. Katy finds a cure for her loneliness, and maybe even a cure for the virus.

Warning: This story contains humor and naughtiness and zombies!
