Learn everything you need to know about crocheting!

This book is will gift upon you the tools and knowledge that every novice should be aware of when they first begin their crocheting adventure.

When you first decide to crochet, it can be quite a tough and confusing time. You will come across a lot of strange conceptions, phrases and equipment that will make you furrow your eyebrows in confusion.

This book is meant to decode this new and alien world so you can begin your journey of being an able and skilled individual at crocheting. You could become like those people on YouTube videos who make it seem easy and effortless with their yarn and needle moving at an astounding speed. However, when you first start off you may end up with tangled yarn, strange looking stitches and an inner feeling of utter hopelessness.

But don't lose hope. The important thing to remember, like with all things in life, is that practice makes perfect. This book will give you the basic tools of the trade, the knowledge of how to use the equipment, the simple stitches you can employ and the jargon you will run across.

You will learn various things. In this book, we will thoroughly go over the basic building blocks of the craft, arming you to the teeth for your crocheting adventure. The first chapter will introduce you to the tools of the trade. What you will be working with when you start crocheting so you won't wander aimlessly in the craft store surrounded by strange merchandise.

You will know what you need and you will also know what each item actually does. Once you know the tools of the trade and properly more about yarn than you ever actually wanted to know, it is time to start to learn how to actually use the tools. So we will give you the essential information on how to begin to crochet. We will look at all the basics, for example, how to a slip knot, how to make a chain and the various types of major stitch that you will need to learn. In Chapter 3, we will let our love of everything pretty shine through

and will show you how to create some different ascetically pleasing stitches that are fun to try out.

By the time you finish reading this book you are going to be able to crochet with skill and precision as well as have the ability to identify various types of stitches and patterns.
