Origami with Dollar Bills: Another Way to Impress People with Your Money! Duy Nguyen
Hey, big spender--pull out that bill and...fold it. Duy Nguyen, the popular author of *Dinosaur Origami* and many other books, presents a creative new way to make the most of your money.

Why spend your bucks buying origami paper--when the money itself can *be* the paper? It adds a unique twist to traditional origami projects, plus you don't have to look any further than your wallet to find crafting materials. The clever projects, which range from a Jedi to a horseshoe crab, an American Eagle to an Oriental dragon, are absolutely fantastic. Some use a single dollar, while others need two or three bills and demand a little more skill--but with practice, patience, and Duy Nguyen's detailed illustrations of every fold, you will undoubtedly master all the techniques. For a little extra fun, amazing facts about U.S. currency appear throughout...such as how many times you can fold a dollar bill before it will tear--but don't worry, these projects will keep your money intact.
