The Blue Death Don Crockett

For all the fans of the growing "Diana Series" his novel will keep you glued to your seat as Diana seems destined to help uncover a mystery that springs from a legend almost forgotten. Join us to learn the history and how one of the Seven Wonders of the World became what it is today, and what would happen if a pair of killers completed their plans for its total destruction. If at any time in your life you have any questions about the Crater Lake National Park and the beautiful State of Oregon it is located in, this novel will be the one to read. And if by chance, you have personally visited this majestic place, high in the mountains of Oregon, then you will enjoy the novel even more. And I think you will agree with the author that this is the perfect setting for such an unforgettable tale.
