Having an Affair?: A Handbook for the "Other Woman" Sarah J. Symonds

Why do men cheat? Why do wives ignore the warning signs? Why do mistresses believe the lies?

In this powerful and evocative presentation, author Sarah Symonds, herself victim to the clever web of deceit woven by a married man, unleashes exceptional insight into a topic that is most often kept behind closed doors.

Wives suffer silently and stoically, mistresses are lured into a holding pattern without promise, and men gamble their entire careers and personal lives on exciting trysts that are bound to be uncovered.

Not a guide to having an affair, but rather a warning to women everywhere about the telltale signs and emotional bondage that cripples their lives.

Ms. Symonds is dedicated to supporting women trapped in these destructive relationships, shedding light on this dark place, and opening a doorway to a new life, free from damage and open to true love.
