Saving Grace (#1): Katie Connell is a high-strung attorney whose sloppy drinking habits and stunted love life collide hilariously during a doomed celebrity case in Dallas. She flees Texas for the Caribbean and escapes professional humiliation, a broken heart, and a wicked Bloody Mary habit, but ends up trading one set of problems for another when she begins to investigate the suspicious deaths of her parents on the island of St. Marcos. She's bewitched by the voodoo spirit of an abandoned house in the rainforest and discovers that she's as much a danger to herself as the island's bad guys are.

Leaving Annalise (#2): One unexpected and hotly fought-over little boy, two dead bodies, and a series of home vandalisms throw Texas attorney turned island chanteuse Katie Connell into a tizzy. Juggling all of this, Bloody Mary cravings, baggage, and the bad guys too, she waffles between the jumbie house that brought her back from the brink and the man she believes is the love of her life.

Finding Harmony (#3): Katie's already on edge when a dead guy shows up at Estate Annalise and shady locals claim there are slave remains in the foundation, but when her husband doesn't come home to her and the kids one day after work, she's ready to lose it. A frantic Katie launches a Caribbean-wide manhunt, calling on her stoic, steady father-in-law, and Collin, her badass big brother, to help her search air, land, and sea for her husband, who may be in very big trouble indeed.
